**Appointment of Advanced Metering Infrastructure (AMI) Service Provider**  
**For**  
**Implementation of Smart Prepaid Metering in Union Territory (UT) of Puducherry**  
**Under**  
**Electricity Department, UT of Puducherry**

The requirement of meter boxes in respect of all consumer and feeder meters is removed from scope of AMISP except provision of meter boxes for DTs. Hence, the bidder needs to quote rate for above consumer and feeder meters without meter box in the price bid. However, the AMISP after conducting survey may suggest provision of meter boxes for some exceptional cases as per field condition, and on mutually agreed quantity, timelines and SMC box specification between AMISP and Utility, the Utility will procure and supply SMC boxes for such cases.
