

CLARIFICATION(s) No. 1

SL. NO.	Clarification required	Response	REMARKS
1	Geology of the Area: Please provide brief Geology of area along with no. of coal seams intersected, occurrence of boulder bed etc.	Please refer Clause 2, Para 4 at Page No. 4 of 117 of tender documents which states as follows:- " The prospective bidders may see these reports available at PFCCL office before bidding." Please visit PFCCL office for referring documents.	No revision/ amendments to tender documents is proposed
2	Please provide some representative graphical logs of the boreholes drilled by CMPDI.		
3	Please provide Generic Location Map of the Area.		
4	Please clarify who shall be responsible (PFC or Contractor) for getting the forest/ Statutory clearance for carrying out exploration in demarcated forest land in the block?	Please refer Clause D of Part-A at Page No. 8 of 117 and Sl. No. 3 of Clause No. 22.1 at Page No. 61 of 117 of tender documents. Bidders scope is clearly defined in the tender documents.	No revision/ amendments to tender documents is proposed
5	Completion Schedule: As per the tender the completion schedule has no reference of forest/ statutory clearances. In the event forest clearances are not available for exploration in forest land whether PFC shall allow the contractor to prepare the GR based on the exploration carried out in non-forest area?	Please refer Clause D of Part-A at Page No. 8 of 117 and Sl. No. 3 of Clause No. 22.1 at Page No. 61 of 117. Bidders scope is clearly defined in the tender documents. Further, completion schedule for drilling, sampling analysis, GR etc., is clearly indicated at Clause No. 2 "Completion Schedule" at page 45 and 46 of 117 of tender documents.	No revision/ amendments to tender documents is proposed
6	Two months for preparation of Final GR	Preparation of GR is to be undertaken concurrently	No revision/ amendments

	<p>including Geo-modelling & Draft GR is very ambitious. CMPDI provides 6 months for GR preparation. It is requested to revise the timeline for GR to more feasible period of 4 months instead of 2 months.</p>	<p>alongwith drilling / exploration and sampling analysis. Geological Report is required to be prepared within the overall period indicated at Clause No. 2 "Completion Schedule" at page 45 and 46 of 117 of tender documents.</p>	<p>to tender documents is proposed</p>
